Payment term :

T/T (100% Advance)

Product Description

About:

Rose petals typically have a soft, velvety texture and come in a wide range of colors including red, pink, white, yellow, orange, and purple. They are often heart-shaped with a pointed tip. Roses are prized for their sweet and floral fragrance, which can vary depending on the species and cultivar. The scent is often described as romantic and intoxicating.

Rose petals have been used for various purposes throughout history. They are commonly used in culinary applications, aromatherapy, skincare products, herbal medicine, and as decorative elements in ceremonies and celebrations. Rose petals can be harvested from fresh roses when they are in full bloom. To dry rose petals, they are typically laid out in a single layer in a well-ventilated area away from direct sunlight until they become crisp and dry.

Specification:

Item	Value
Type	Dried Rose Petals
Texture	Crispy
Product Name	Natural Fragrant Petals
Style	Dried
Cultivation Type	Common
Colour	Natural

Crop Year	Recent
Place of Origin	India
Brand Name	SOUTHERN QUEEN FLOWERS
Model Number	IDRP-001
Quality	Premium Product
Whatsapp	+91 9626993222, +91 8122993222+91-8098085222
Usage	Human Consumption / Industrial Use
