Product Description

Product Description:

Peanut oil, also known as groundnut oil or arachis oil, is a vegetable oil derived from peanuts. The oil usually has a mild or neutral flavor. peanut oil is meticulously cold-pressed to retain the natural flavors and nutrients of the peanuts. This traditional extraction method ensures the oil remains free from harmful chemicals and additives, preserving its integrity and quality.

Boasting a mild, nutty flavor, our peanut oil enhances the taste of a wide range of dishes, from sautéed vegetables to gourmet stir-fries. With a high smoke point of approximately 450°F (232°C), peanut oil is ideal for high-heat cooking methods such as frying, roasting, and grilling. Perfect for everyday cooking and gourmet recipes, our peanut oil can be used for frying, baking, dressings, and marinades.
