Product Description

Product Description:

Dried avarampoo, derived from the flowers of the Senna auriculata plant, is a traditional herbal ingredient renowned for its myriad health benefits. These small, vibrant yellow flowers are carefully harvested, sun-dried, and preserved to maintain their medicinal properties. Rich in antioxidants, avarampoo is highly regarded in Ayurvedic and Siddha medicine for its ability to promote skin health, regulate blood sugar levels, and enhance overall well-being. When brewed into a tea or infused in skincare products, dried avarampoo helps detoxify the body, improve digestion, and provide a natural glow to the skin. Its pleasant fragrance and mild, earthy taste make it a versatile addition to various health and beauty regimens, making dried avarampoo a cherished natural remedy in holistic health practices.
