Product Description

About:

Organic Idly Rice is a specially cultivated variety of rice that is naturally grown without the use of synthetic fertilizers, pesticides, or genetically modified organisms (GMOs). It is carefully processed to retain its **natural nutrients, fiber, and taste**, making it an excellent choice for preparing **soft, fluffy, and nutritious idlis**.

This rice variety is preferred for its **smooth texture, easy digestibility, and rich aroma**, ensuring that every bite is filled with authentic South Indian taste. Since it is organically grown, it supports **sustainable farming practices**, promoting environmental balance and a healthier lifestyle.
