Product Description

About:

1509 White Sella Basmati Rice is a premium variety of basmati rice that has gained popularity in recent years. It is named after its unique variety code, "1509." This rice is known for its extra-long grain length, which can range from 7 to 8.4 mm. The grains are slender, fine, and have a pearl-like appearance.

1509 White Sella Basmati Rice is its texture. It has a firm and non-sticky texture when cooked, making it ideal for various rice dishes. The grains separate easily and remain fluffy, which is highly desired in many culinary preparations.

1509 White Sella Basmati Rice offers a delicate fragrance that is reminiscent of the traditional basmati aroma. It has a pleasant and nutty flavor profile, which complements a wide range of dishes. This rice variety is known for its ability to absorb flavors from the accompanying spices and ingredients, enhancing the overall taste of the meal.
