Product Description

About:

Sharbathi Golden Sella Rice is a type of rice known for its golden color and distinct aroma. It is a popular variety of rice in South India, particularly in the states of Tamil Nadu and Karnataka.

Golden Sella Rice refers to parboiled rice that has been further processed to develop a golden color. Parboiling is a process where the rice is partially boiled in the husk before being dried and milled. This process helps retain the nutrients in the rice grain and makes it less sticky when cooked.
