1. T/T (30 % Advance Rest 70 % Scan copy of BL)

## Product Description

---

### **About:**

Sharbathi White Sella Rice is a type of basmati rice. Basmati rice is known for its slender, long grains that elongate further upon cooking. The Sharbathi variety specifically is renowned for its excellent aroma and delicate flavor.

The term "Sella" refers to a parboiling process that involves partially boiling the rice in its husk, followed by drying and removing the outer husk. This process helps in retaining the nutrients within the grain and imparts a unique texture and taste to the rice. Sharbathi White Sella Rice is known for its excellent cooking properties. It cooks into fluffy, separate grains that do not clump together. It is suitable for both everyday meals and special occasions, and it complements a wide range of Indian and international cuisines.
