### **Loading port:**

1. Chennai

### **Payment term :**

1. T/T (100 % Advance )

## **Product Description**

---

### **About:**

**Kesar mangoes, also known as "Gir Kesar" or simply "Kesar," are a renowned variety of mangoes originating from the Gir region of Gujarat, India. Beloved for their exceptional taste, aroma, and vibrant color, Kesar mangoes are widely regarded as one of the finest mango varieties in the world.**

**Kesar mangoes are medium-sized fruits with an oval or oblong shape. They feature smooth, thin skin that ripens to a golden yellow hue with a blush of orange or red on the sun-exposed side. The flesh of ripe Kesar mangoes is deep orange-yellow, with some varieties exhibiting a vibrant saffron hue near the skin. Kesar mangoes are celebrated for their intense and enticing aroma, which is often described as a delightful blend of honey, apricot, and tropical flowers.**
