Product Description

About:

Chrysanthemum, also known as "mums," is a stunning and popular flowering plant that belongs to the Asteraceae family. Native to East Asia, Chrysanthemums have been cultivated for centuries and have become cherished ornamental plants across the globe.

Chrysanthemum flowers are known for their captivating beauty. They bloom in a plethora of colors, including white, yellow, pink, red, purple, orange, and more. Chrysanthemum flowers vary in shape, and they are classified into several types, such as daisy-like, pompon, spider, cushion, and more.

Chrysanthemums are widely used in both outdoor and indoor settings. They are often grown in flower beds, borders, and containers to enhance landscapes. Additionally, their cut flowers are commonly featured in bouquets, flower arrangements, and floral displays for various occasions and events. The air-purifying abilities of chrysanthemums are well known. They are an excellent complement to interior areas because they can assist in removing air contaminants.
