Product Description

Amla, also known as Indian gooseberry- commonly available in India , China and other tropic regions of Asia. The extract or powder obtained from these potent gooseberries has been primarily used in traditional Indian Ayurvedic medicine. Amla powder extracted from Indian gooseberry contains high levels of the antioxidant vitamin C, as well as ellagic acid, flavonoids and tannin. The vitamin C in amla helps in dilating the blood vessels and thereby lowering the blood pressure. Also Amla powder gives you glowing skin and keeps it hydrated.

Benefits
