Product Description

The botanical name of the neem tree is *Azadirachta indica*. This tree is native to India, Myanmar, Sri Lanka, Bangladesh, Pakistan, etc., but now is grown worldwide for its medicinal and healing properties. With all of its parts possessing medicinal values, this herb is useful for the treatment of various ailments. The antibacterial, antiseptic, antimicrobial and anti-inflammatory properties of neem make it valuable for human health.

Benefits

Neem powder can help you in treating dandruff.

Neem powder has been found effective in treating ringworm as it is a fungal infection¹

Neem has got the property that inhibits the growth of lice.

The antiseptic, antioxidant, antifungal, antiviral and anti-inflammatory properties of neem help in treating acne or pimples.

Neem powder can greatly help in reducing hair fall.

For the treatment of athlete's foot, you can use neem powder paste.
