### **About US :**

Rumani mangoes, also known as Rumani Sindhoori or Ruman, are a popular variety of mangoes known for their sweet and tangy flavor, vibrant color, and smooth texture. Originating from India, Rumani mangoes are widely cultivated in regions with tropical climates, such as Maharashtra, Gujarat, and Karnataka.

Rumani mangoes are medium to large-sized fruits with an oval or oblong shape. They have a smooth, thin skin that ripens to a vibrant yellow-orange hue with reddish blushes on the sun-exposed side. The flesh of Rumani mangoes is firm yet smooth, with minimal fiber content, giving it a creamy texture. The ripe flesh of Rumani mangoes is deep orange-yellow, with a juicy consistency and a rich aroma that intensifies as the fruit ripens.
