1. T/T (100 % Advance)

Product Description

About:

Imam Pasand, also known as Himayuddin or Himayat, is a premium variety of mango cultivated primarily in the southern states of India, particularly in Andhra Pradesh and Tamil Nadu. Revered for its exceptional taste, aroma, and texture, Imam Pasand mangoes are often considered the "king of mangoes" and are highly sought after by mango enthusiasts worldwide

Imam Pasand mangoes are large-sized fruits with an elongated and oblong shape. They have a distinctive golden-yellow skin with occasional patches of green and a reddish blush on the sun-exposed side when fully ripe. The flesh of Imam Pasand mangoes is firm, smooth, and fiberless, offering a melt-in-your-mouth experience. It has a buttery consistency, which adds to the luxurious feel of the fruit.

Processing line involves the activity:

Desapping

Washing

Pesticide Treatment Process

Hot Water , Irradiation, VHT-(Vapour Heat)Treatment

Ripening
